EXTREMA COLLECTION

EXTREMA

Extrema - the name says it all. Our bestselling table tops are engineered to perform in the toughest environments, indoors or outdoors.

Combining exceptional durability with a curated range of contemporary finishes, including the new premium range, are a perfect choice for commercial spaces that demand both style and strength.

Extrema Square Table Top,
Paris Dining Height Square Table
Base and Panda Armchair

PRODUCT FEATURE

All our Extrema Table Tops contain 60% recycled Kraft paper.

EASY FIX SYSTEM

With the innovative EASYFIX system, Extrema tops attach quickly and securely to a wide range of table bases for long-term stability and effortless installation.

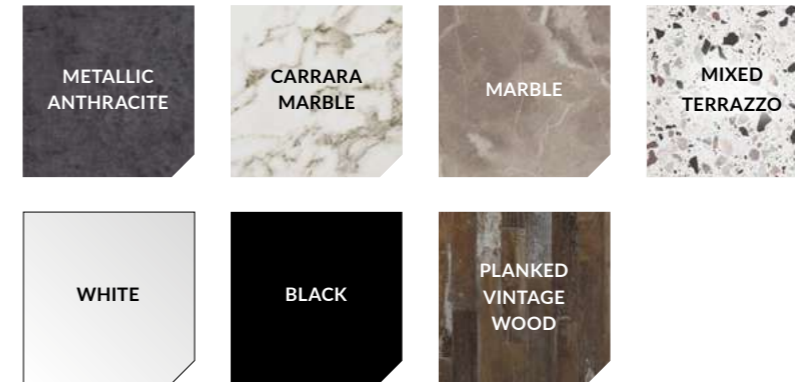

EXTREMA TABLE TOPS

Made from 12mm High Pressure Laminate (HPL), Extrema tops are slim, sleek, and built to last. Their non-porous, moisture-resistant structure ensures they will not warp, rot, or harbour bacteria, making them hygienic and easy to maintain.

PRODUCT FEATURE

We offer a wide range of complete tables featuring durable Extrema tops.

SOLIDGRAIN TABLE TOPS

Solidgrain is a celebration of real wood. Combining natural beauty, enduring strength, and individual character in beautifully crafted table tops that are designed to meet the demands of high-traffic commercial environments.

Built from premium solid timber sourced from sustainably managed forests, each table top showcases the unique grain, knots, and texture that makes them one of a kind.

Solid Character Oak Round Table Top, Boston Sleek Dining Height Extra Large Round Table Base and Tavo Side Chair

PRODUCT FEATURE

All Solidgrain timber comes from sustainably managed forests.

SOLIDGRAIN COMPLETE TABLES

We've created a range of complete tables that feature our stunning Solidgrain tops.
