# Is sitting bad for your business?

**2 in 3** employees complain of back pain in the workplace

Back pain costs the UK economy **£5 billion** a year

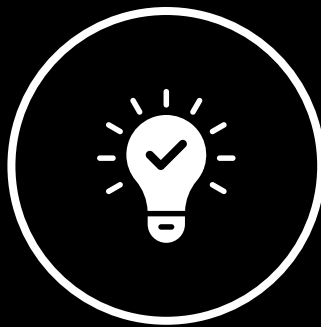

Too much sitting can cause **depression** and **low productivity**

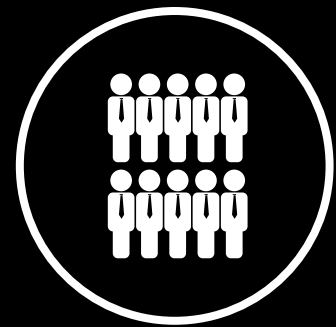

## Why standing is good for your business:

**Increase** staff happiness

**Raise** productivity

**Boost** employee retention

“Inactivity is driving all of the big killers. So it’s increasing the likelihood of all of those type two diabetes, heart disease, quite a few cancers, but also it’s affecting mental health as well.”

Ref: Professor Vybarr Cregan Reid

## Suggested Schedule

Over the working day, try to spend at least 2 hours standing, aiming to increase this when possible. These durations should be tailored to individual needs & preferences.

**1 hour**  
Seated

**20 minutes**  
Standing

**Repeat**  
All day

**Take the Stairs**
