But don't take our word for it...

BIG WIPES

£'S SAVED ON FAST AND EFFECTIVE CLEANING:

"Concrete cutting, grease, tarmac, dust, paint, resins, oil, plaster, grouting, you name it, we get covered in it. Rip out jobs, oil fired central heating boilers, chimneys, drains etc are a daily challenge and we are constantly filthy. But thanks to Big Wipes, at least we go to our various clients looking presentable and come home to our wives with clean hands at the end of the day!"

Michael Gill, Building Services Contractor

£'S SAVED AVOIDING DAMAGED HANDS:

"We manufacture a range of industrial pumps, which is extremely dirty work. Metal dust & filings, oil, grease, dirt & grime all come part and parcel of the job. We used to use laundered rags to clean our hands, however, after a while tiny metal filings become entrenched in the fabric and left very small abrasions and cuts on our skin. We then resorted to using floor cleaner to clean our hands instead, but this dried our skin out massively. We had never seen anything like Big Wipes, and I can honestly say they are our saviour. They clean more substances, more effectively than anything we've ever used and they are kind to our hands." **Maintenance Team, Slack & Parr Ltd**

£'S SAVED ON SNAGGING COSTS, LABOUR & DAMAGE CLAIMS:

"One of the Electrician Apprentices got his dirty hands all over a freshly painted wall. We had to get the decorators back who had to repaint the entire wall. If they had had Big Wipes on site, we could have saved ourselves the cost of repainting, the additional double call-out charges, labour, time and fuel costs!" **Geoff Marsden, Managed Services Company**

£'S SAVED ON WORKWEAR CLEANING:

"Since we have buckets of Big Wipes Heavy-Duty on site, we are saving a fortune on laundering and replacing our workwear! Before Big Wipes, the lads always wiped their hands down their trousers and looked a right mess – they look so much more professional now."

Steve Taylor, Facilities Manager

No mess, no fuss, quick and effective...

£'S SAVED ON ALL DAY DISCOMFORT:

"I work a lot with glass fibre resin and CT1 sealant, which bonds metal, wood and glass among other things. Big Wipes manage to get all the spillages off my hands, tools and surfaces. They are brilliant!!"

Neville Davis, Randell & Janes Roofing

£'S SAVED ON DAMAGE CLAIMS:

"One day I was up a ladder, using PU foam behind a fascia, when a gust of wind blew some escaping foam on the neighbour's car. I managed to clean it all off with Big Wipes, so I never use expanding foam without a tub of Big Wipes close by. Plus the wipes are fantastic at cleaning the nozzle and any spillages. Big Wipes to me are a foam First Aid kit."

Mark Blow, Property Maintenance Contractor

£'S SAVED ON SICKNESS ABSENCE:

"As someone who has suffered from skin problems in the past, I can honestly say Big Wipes never upset my skin."

According to the latest Health and Safety Executive (HSE) figures available, there are over 35,000 cases of work-related skin diseases diagnosed by GPs every year in the UK. For many manual workers and cleaning professionals, hands are their livelihood and so cleaning them effectively while still being able to care for them is extremely important. Speedy removal of irritants is essential as skin disease on the hands can be debilitating and has serious implications when trying to continue with work.

Sean Wilkinson, Dulux Select Painter & Decorator

Leave the job like you've never been there at all,

£'S SAVED ON WASTED TIME:

"We lay broadband cabling and often find ourselves in sticky spots, in trenches or underground. We do have washing facilities on our vans but this can be time consuming, it's much easier to use Big Wipes to shift all the worst of the muck wherever we might be, without having to return to the van. My Big Wipes go wherever I go!"

Virgin Media Engineer

£'S SAVED ON REDECORATION:

"Our company operates mostly in the housing, healthcare, education and local authorities sectors. We always use the toughest, most durable & stain resistant emulsion – Multi-Purpose Big Wipes are perfect for removing marks from that type of surface. Plus, when I do glossing work, I wrap a Big Wipe around a filling blade and run it along the edges of where I overpainted – takes the paint off every time."

Stuart Grange, Painting Contractor

£'S SAVED ON SPREADING GRIME!:

"A car manufacturing plant can be a very dirty place. All day long production line staff and engineers move from the workshop and production floors into the clean office environment and use the computers, spreading grime and dirt everywhere. Before long the office staff had had enough. Only problem, the washroom isn't on route to the office, in fact, it's not even close. The solution – Big Wipes! A tub of Heavy-Duty Big Wipes mounted outside the office stopped mucky hands entering the office environment and reduced how often we have to replace dirty keyboards. The office staff is so much happier, plus my team is saving time by making less trips to the washroom!"

Aston Martin / Jaguar Land Rover

£'S SAVED ON MATERIAL WASTAGE:

"We manufacture a wide range of business furniture and material wastage is one of our biggest costs. Big Wipes get rid of adhesive residue from seat frames and chair legs, which we previously always struggled with and effortlessly remove marks & stains from our leather furniture products. These high value items often have to be thrown away if they become marked or scuffed and we have to start again, but Big Wipes eradicate this cost. Every day we are finding new usages for Big Wipes that are saving us time, hassle and money. We love them."

Head of Procurement, Senator Seating

arrive at the next job like it's the first one of the day, fresh and clean!

£'S SAVED ON ACCIDENTAL SPILLS:

"We keep Big Wipes in our fleet of vans. Big Wipes really are our first line of insurance against dirt, filth and spillages. We take pride in making sure our work is to our clients' satisfaction and cleaning up is one part of that."

Rolan Howard, Property & Facilities Management

£'S SAVED ON REMOVING ADHESIVE:

"Our company specialises in laying and tiling high quality flooring for residential and commercial properties. Wherever I work, I have my Heavy-Duty Big Wipes close by as they quickly get rid of any flooring adhesive that seeps through the joins – even if it's already started to set."

Ross Mcinery, Flooring Contractor

£'S SAVED ON SICKNESS ABSENCE DUE TO SERIOUS DISEASE:

"Working on building conversions, we're often the first team on site. We get covered in all sorts of muck and grime. I am always grateful for my Big Wipes, as there is never any water available exactly where I need it, so I can't wash my hands. Big Wipes are also antibacterial and anti Weil's disease, which gives me peace of mind as I know our furry friends have been scuttling around the area."

James Morris, Building Contractor

AND LAST BUT NOT LEAST:

Teabreak!

No running water or no access to soap and water? No problem, Big Wipes are antibacterial, so you can clean your hands before you sit down and have your lunch.

- ✔ INHIBITS LEPTOSPIRA (Weil's Disease)
- ✔ PRESERVATIVE FREE
- ✔ BIODEGRADABLE FORMULA
- ✔ EASY GRIP CYLINDER AND UNIQUE LID quick and convenient opening mechanism; prevent wipes from drying out; anti-finger entrapment design; smart dispensing system

Bio Formula

What do they remove?

BIG WIPES

PU FOAM:

- Shifts PU Foam before it sets from hands, tools and surfaces.
- No more nasty sticky expanding foam nightmares.

PAINT:

- Removes all water and oil based coatings before they cure.
- Banishes stains from cured diamond technology coatings.

ADHESIVES:

- Quickly removes uncured adhesive residue.
- Fast and effective even on polyurethanes.

TAR & BITUMEN:

- Drives through mastics and roof coatings, including Flexacryl.
- A cleaning system for the rooftops.

GAP FILL:

- Works on solvent based adhesives such as Gripfill.
- Easily clears excess.

OIL & GREASE:

- Dissolves all oil based stains.
- Absorbs grease for safe disposal.

SILICONE:

- Rapidly removes silicone from all sealed surfaces.
- Cleans and refreshes cured silicone joints.

GRIME & DIRT:

- All-purpose cleaner for every type of grime.
- Added antibacterial protection.

No mess, no fuss, quick and effective...

3 variants to choose from:

BEST FOR	HEAVY-DUTY	MULTI-SURFACE	MULTI-PURPOSE
HANDS	★ ★ ★ ★ ★	★ ★ ★	★ ★ ★
SURFACES	★ ★ ★ ★	★ ★ ★ ★ ★	★ ★ ★
TOOLS	★ ★ ★ ★ ★	★ ★ ★ ★	★ ★ ★

HEAVY-DUTY

TEXTURED, SCRUB & CLEAN WIPES

Best for cleaning hands

- Dual sided scrub and clean wipes offer the fastest, deepest clean ever.
- Abrasive side removes even the most stubborn grime; smooth face soaks up the muck.
- Better Grip – No Slip.
- Highly advanced Quad Fabric grips 40% more grime with every wipe.

80 wipe tub 2420 | 240 wipe bucket 2427 | Dual pack

MULTI-SURFACE

SUPER ABSORBENT BIO WIPES

Best for cleaning surfaces

80 wipe tub 2440 | Dual pack

- Exceptionally absorbent: the Multi-Surface wipe has a "towel like" texture.
- The best wipe for cleaning up spillages or residual muck.
- A fantastic finishing wipe to leave a job looking professional and dirt free.
- A natural viscose material, the wipes can be composted if used for removal of non-hazardous substances.

MULTI-PURPOSE

SUPER TOUGH ABSORBENT WIPES

Best for economy

- Super tough: made from a 3 layered, non-woven, quilted fabric.
- Highly tear resistant and lint free.

80 wipe tub 2410 | 120 Pro Pack 2412 | 300 wipe bucket 2417 | Dual pack

Power Spray re-charges all BIG WIPES:

POWER SPRAY

1L SPRAY SOLUTION

- Re- charge any of the 4x4 Big Wipes to keep them working for longer.
- Saves wipes by pre- treating larger areas such as walls, floors or window frames. One wipe can then clean up to 10X the surface area.
- Use directly for heavy duty cleaning of surfaces, tools & hands.

THE CAGE WALL AND VAN BRACKET

Holds firmly any Big Wipes 80s tub & Power Spray!

- Keep your tub of Big Wipes fixed firmly and close at hand.
- Simply push Big Wipes tub into adjustable bracket, tighten and you're ready to dispense.
- Allows "one-handed dispensing" for those very messy jobs.
- **Van mountable** - fixes to ply panelling or integrates easily into bespoke racking system.
- **Wall mountable** - keep close by in garage or workshop.
- Manufactured in robust high quality polycarbonate.

HAND CREAM FORTIFIED TREATMENT CREAM

Intensive Treatment - Immediate Relief

Big Wipes Hand Cream is a high performance treatment cream that rapidly relieves dry and rough skin, leaving the skin soft, smooth and more youthful looking.

Recommended by dermatologists as a very effective treatment for dry skin, Big Wipes hand cream contains 10% urea and 5% Lactate AHA, an ideal combination to restore the skin's smoothness, softness and flexibility.

Improves the Moisture Balance of the Skin
Using the cream results in an increase in capacity of the skin to absorb and hold moisture - facilitating intensive long-lasting rehydration.

Enhances the Skin's Barrier Function
Dead skin cells are removed, strengthening the barrier function of the skin, helping to keep it youthful and healthy.

Initiates Natural Exfoliant Action
The horny layer of skin is gently loosened, making room for regrowth of new skin and revealing a softer, smoother complexion.

Speeds up Healing
The cream's anti-fungal and anti-microbial properties promote fast healing, bringing much needed relief to dry, cracked skin.

The choice is yours...

BIG WIPES™

OUR GUARANTEE

We are so confident in the ability of our products to do what they say and more, that we'll happily give you your money back if you're not absolutely delighted.

PRODUCT PERFORMANCE

The **BIG WIPES**™ brand is firmly established and out-performs other products in cleaning power, health & safety and convenience. No other cleaning wipes available to the European professional trade can remove as many substances so effectively.

WHAT THE TESTS SAY

- **Compliance with the ALL NEW EU REGULATION (EC) No 1223/2009 - Cosmetic Products**

  Replaced the 1976 EU Cosmetics Directive (76/768/EEC) in July 2013 - this protects consumers and makes sure that all cosmetic products on the European market are safe. It requires cosmetics to cause no damage to human health when applied under normal or reasonably foreseeable conditions of use.

- **Dermatologically Tested**

  Tested on real people with zero levels of irritation recorded.

- **Antibacterial Testing**

  Big Wipes were found to have excellent antimicrobial activity and completely eliminated the tested strains.

- **Leptospira (Weil's Disease) Testing**

  Big Wipes were tested as effectively preventing the incubation of Leptospira (Weils) interrogans strain RGA.
