

PRODUCT USE GUIDE FOR ACID TOILET CLEANER J1

Product Description

A heavy duty descaler to effectively remove encrusted limescale deposits from ceramic surfaces, WCs and shower cubicles. A hydrochloric based product which ensures rapid scale removal. Not suitable for use on stainless steel or chrome.

Product Features

- A toilet and urinal cleaner that removes scale and sanitizes.
- A complete cleaner to give clean odour-free toilets.

Direction for Use

- Pour under rim of toilets and across the tops of urinals, below spray bar.
- Use a brush to ensure that the entire surface is wetted with the product.
- Leave for a few minutes, then brush away soiling and stains, and flush the toilet.
- ***Not for use on stainless steel.***

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

Environmental

- Neat product will cause damage to plant and animal life.
- Do not allow large quantities of neat liquid to enter surface waterways as serious ecological damage may be caused.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
- This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.
- It contains no Phosphates.
- None of the components of this product are animal derived.
