107 PIECE CLASSPACK/302 PIECE BULK BOX A4 HANDWRITING WHITEBOARDS

DESCRIPTION

Help students perfect their writing and form letters in the correct proportions with these handwriting Show-me boards.

Lightweight and so easy for children to hold. You'll see engagement and answers from the whole class without leaving the front. With a quick glance you can check progress and understanding, then tweak your plans accordingly.

Use instead of endless sheets of paper, or space in exercise books - think about how much budget you could save, let alone the number of trees!

Every board has an ultra-smooth, glossy surface for optimal erasability, ideal for use in the busy classroom.

FEATURES

- High-quality A4 drywipe Show-me Boards pre-printed with handwriting lines
- Board is printed with lines arranged in groups of 3, approx. 6mm apart to help children form letters in the right proportions
- Ideal for use with young children and those struggling with letter formation
- Each board is double-sided and features a plain reverse

NOT JUST FOR EDUCATION...

Drywipe boards are great for use in public sector organisations, office settings, call centres, retail, in the home, and more...
