

HANDY ROLL WIPES NON WOVEN (240 X 360MM) 2 PACK

This pack includes 2 rolls of premium, absorbent non-woven White TufWipe, with 450 sheets each. Made from durable fibres, these wipes are designed for heavy-duty and demanding environments, remaining strong wet or dry, and resistant to heat and solvents. They are binder-free and virtually low-lint, making them ideal for precision applications such as aviation and automotive wiping. The roll is FSC Mix certified.
