

CARLISLE BUSINESS SUPPLIES

RECEPTIV

INTRODUCTION

Receptiv is the most comprehensive modular reception range available. With numerous base units in various shapes and sizes, Receptiv can be planned in endless configurations to suit your reception requirements.

RECEPTIV

Receptiv is the perfect choice to enhance your reception area and provide a stylish, professional first impression.

Choose between numerous base units, top units, glass shelves and storage, in various shapes and sizes to create a reception to suit all your requirements.

Two tone receptions can be created by adding a contrasting modesty panel finish. Executive glass shelves offer a refined addition.

With a choice of 17 board colours and 21 modesty panel finishes, Receptiv can accommodate any office colour scheme.

Compact receptions offer an ideal solution when space is at a premium. Disabled access base units can be incorporated into any reception layout.

Top units can be added to offer privacy as well as providing storage to maintain a tidy, efficient work space.

Glass shelves can be added to provide a more executive impression.

A full selection of reception tables and soft seating are available to complete your reception area.

The added choice of green or orange modesty panels give a more vibrant colour option when required.

Receptiv offers the flexibility to create an individual, standalone reception or a continuous, contoured shape.

This compact reception is extremely popular as a single person reception counter.

Base units range from standard rectangular units to a selection of radiused units manufactured at various angles to allow for a more sweeping configuration.

Curved units are ideal for a single person reception incorporating an office wall for privacy.

FINISHES

BOARD FINISHES

All products are manufactured using 18 & 25mm thick Melamine Faced Chipboard (MFC) sourced from across the world for optimum quality. An impressive Selection of 17 board finishes and 21 backboard finishes are available.

Colours storage is available with a choice of 17 board finishes for fascias and doors.

All desking, storage & pedestal tops are finished with 2mm PVC heavy duty edging tape.

RECEPTIV MODESTY PANEL FINISHES

Receptiv modesty panels are manufactured from 3mm hardboard and available in 21 board finishes. (17 standard board finishes as well as the 4 shown below)
