Allermuir

Autumn / Winter 18–19

Welcome to the Allermuir Lookbook for Autumn/ Winter 18–19, where we've collated some of our best work with you in mind. You'll find the labours of our love, fruits of our imaginations and even some of our best kept secrets.

We believe that this is not just furniture, but the setting to so many important scenes in our lives — we hope you enjoy the experience of Allermuir.

Allermuir

is:

We're an expressive and expansive brand, we thought it'd be useful to distill Allermuir down into four words:

01

BRILLIANT

However radical or unexpected our design or product may be, it has to be made well — really well. This is style and substance in perfect harmony.

03

CULTURAL

We're aware of influences within our own category, but also of the wider world. So as well as design, interiors, furniture and engineering, we look to art, architecture, music, film, photography, sculpture, science and technology.

02

POSITIVE

Times change. Needs evolve. Techniques advance. We know everything can be improved. And we believe that what we do can make a real difference. We'll always take on obstacles and challenges with optimism.

04

RADICAL

We're prepared to break rules. We'll ask difficult questions. We speak up. We'll challenge conventions. We're opinionated. We seek inspiration from unexpected places.

Chairs & Stools.

Allermuir creates contemporary furniture for hospitality and corporate sectors. Our creative influence can be seen in public spaces, reception areas, breakout zones, bars, cafes and restaurants all over the world. Frequently collaborating with world-class designers, we make sure quality is consistently high by bringing all products to life with our own manufacturing facilities.

02

01 Quincy. Design by Allermuir

A modern dining or meeting chair with an elegant construction, comprising of a seamless polyurethane shell and solid wood legs, poised on nylon glides.

02 JoJo. Johannes Foersom & Peter Hiort-Lorenzen

The elegant and curvaceous stool seat is created from 3D veneered plywood or PU to provide one of the most comfortable stool seat shapes. JoJo has three frame options including high and low versions.

Chairs & Stools.

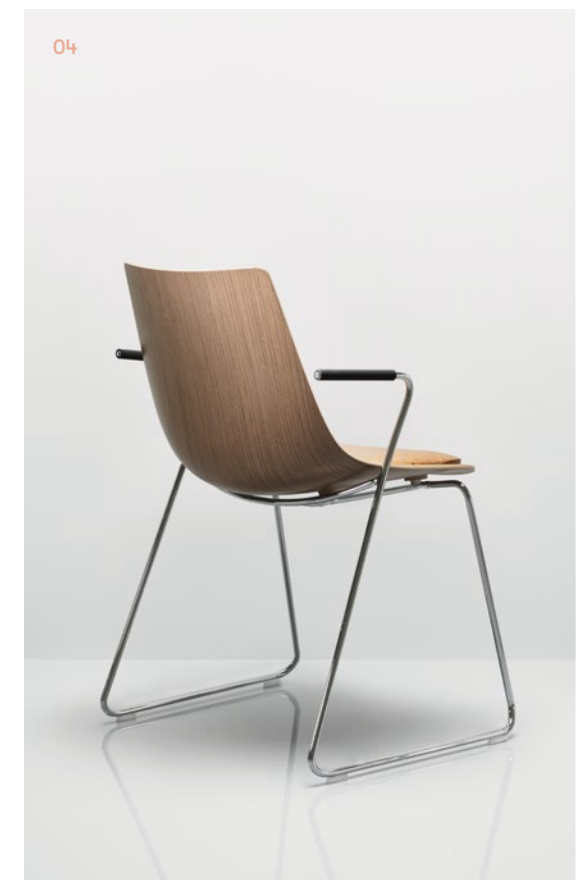

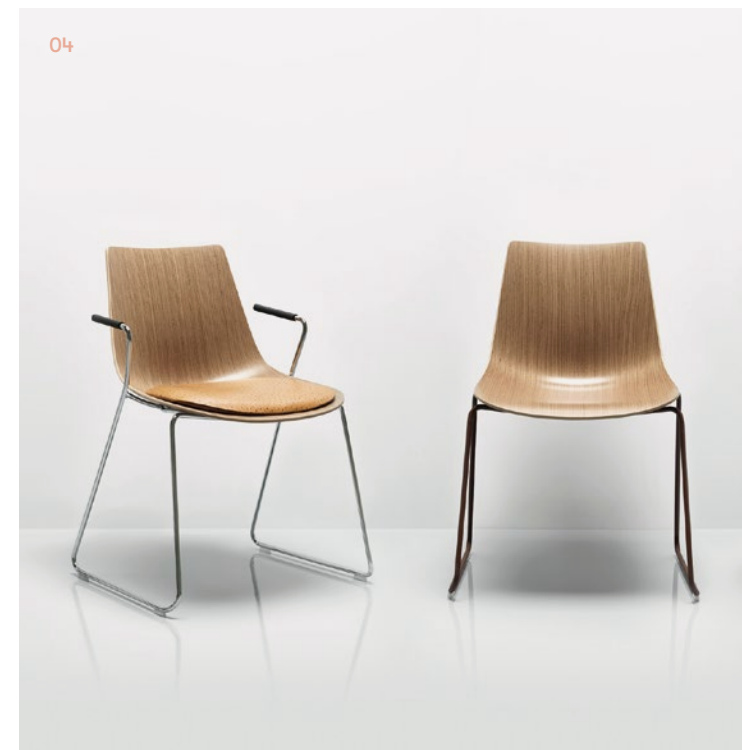

01 Nuno.
Design by Mark Gabbertas

Born out of a desire to approach a traditional design typology, this chair's defining characteristic is the use of the lamination itself as a structural component, whereby the leg frame and the seat are integrated providing strength for each other.

02 Wave.
Design by Carsten Schmidt & Jens Bredsdorff

Wave is a beautifully formed ply bench with a stainless steel frame creating a balanced seat suitable for any transient space.

03 Jaicer.
Design by Allermuir

With Jaicer, we set out to create a simply beautiful chair that was constructed entirely from wood. Jaicer has been created to work across a multitude of environments; from ad hoc use in a contemporary workplace to the hospitality environment.

04 Curve.
Design by PearsonLloyd

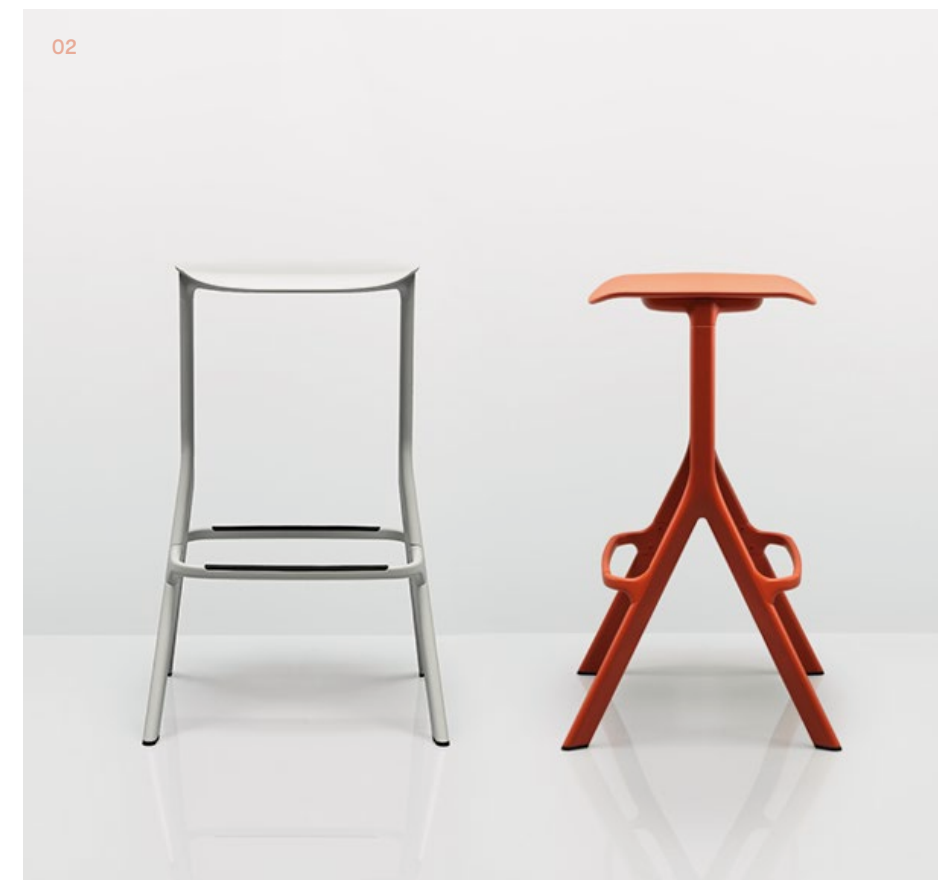

Curve offers a high level of comfort and shape, without compromising on style and function. This stacking side chair or armchair has a slender chrome wire frame that complements the elegant, balanced ply form.

Chairs & Stools.

01

02

01 Axyl.
Design by
Benjamin Hubert | LAYER

Axyl has a strong geometric design language that is entirely original yet draws on familiar references, such as the A-frame typology and a Mid-Century Danish wrap-around shell.

The collection has been robustly engineered with a smart stacking structure and is efficiently lightweight.

02 Axyl Stool.
Design by
Benjamin Hubert | LAYER

The Axyl barstool shares the same characteristic design language as the chair. It is entirely symmetrical with double waterfall edges on the plastic seat and double footrests to maximise comfort no matter which side a user approaches it from.

Chairs & Stools.

01 Soul.

Design by PearsonLloyd

An ambitious design that embraces the technological possibilities of structural injection moulded plastics. Soul is a cantilever chair with a flexing organic form that provides true ergonomic comfort and support despite its lean appearance.

Chairs & Stools.

01

02

01 Cardita.
Design by Martin Ballendat

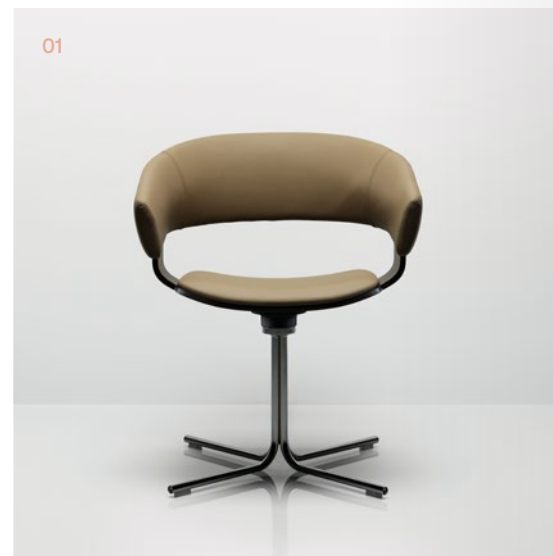

Cardita is inspired by the beautiful leather seats found in luxury vintage cars. A simple yet intelligent frame is complemented by classic upholstery detailing which not only exudes opulence, but is also exceptionally comfortable.

02 Cardita Stool.
Design by Martin Ballendat

As with the chair, the Cardita stool has a simple frame complemented by classic upholstery detailing. Cardita exudes opulence while also being exceptionally comfortable.

Chairs & Stools.

01 Mollie. Design by John Coleman

A luxurious and satisfying design, Mollie displays both classic and contemporary elements. The range comprises of an armchair and high stool available on several base options.

02 Phoulds. Design by Allermuir

Elegance, poise and comfort were the words that guided the development of Phoulds. Meticulous joining of two pressed plywood shells create the chair's structure which is lined with a distinctive six panel upholstery style.

Chairs & Stools.

02

01

01 Tommo.

Design by Mark Gabbertas

The contemporary and intelligent design of the Tommo range places it easily in a host of spaces within corporate and hospitality environments. Featuring slender upholstery styling and twin stitch seam detail, complemented by a light and elegant tubular skid base.

02 Tommo Stool.

Design by Mark Gabbertas

Soft Seating.

We take chances. We like to step out of our comfort zone and be disruptive, we are led by ideas, craft and design. Perhaps unsurprisingly, there's no typical application for Allermuir designs – you may find them in a coffee shop, a transport hub, a chic retail space or a multinational's foyer. But one thing should strike you with each design – creative flair.
