Peace and quiet in an instant.

The Go Acoustic Pod range was designed to address two core issues relating to open plan environments. Firstly, the need for acoustic privacy and secondly, the need for internal rooms within the work space.

Each Pod is highly ergonomic and functional, packed with the latest technology when you need to stay connected.

Privacy anytime, anywhere.

When you need to work with maximum focus and minimal distraction, Go Acoustic Pods are ideal for uninterrupted work, holding discussions, making important calls and teleconferences.
