## Our *Design + Print* team.

The OfficeMaster design & print team is headed up by Marina Murphy, our senior graphic designer who has been leading the line since 2012 and Mike Conway, our marketing manager, who is also a fully qualified graphic designer.

Between studying in SETU Waterford at the same time and cutting their teeth as junior designers together elsewhere, they've amassed almost 20 years of friendship. Oh, and industry experience.

The TV show FRIENDS is their favourite subject to talk about, closely followed by graphic design and branding. Marina and Mike love to work with people and help bring their ideas to life. From sole traders to multinationals, they've been there, done that and designed the t-shirt.
