

FUTURFORM

Environmental Policy

1. Purpose

Futurform Limited recognises that our activities have an impact on the environment. We are committed to minimising this impact, complying with environmental legislation, and continually improving our environmental performance.

2. Our Commitments

We will:

- Comply with all relevant environmental laws and regulations.
- Use resources efficiently and reduce waste through re-use and recycling.
- Manage energy responsibly and seek opportunities to reduce consumption.
- Work with suppliers and partners who share our commitment to sustainability.
- Prevent pollution and minimise emissions where possible.
- Regularly review and improve our environmental practices.

3. Responsibility

Senior management has overall responsibility for ensuring this policy is implemented.

All employees are expected to support and apply this policy in their work.

Suppliers and contractors working with Futurform Limited are encouraged to follow similar environmental standards.

4. Communication

This policy will be:

- Communicated to all employees.
- Made available to customers, suppliers, and stakeholders via our website.
- Reviewed annually and updated where necessary.
