Boujee

Every Chair Tells a Story.

Boujee

Boujee is a statement chair that blends contemporary design with exceptional comfort. Its distinctive wraparound backrest flows seamlessly into the integrated armrests, while the concealed mechanism maintains a clean, refined silhouette. Every detail has been carefully considered, from the sculpted form to the premium materials.

Comfort in Every Curve

Designed to provide comfort throughout the working day, Boujee features an embrace-style seat and backrest that gently supports the body. Carefully positioned ergonomic support zones enhance comfort, creating an inviting seating experience that combines considered support with elegant design. Soft, sculpted curves and generous cushioning create a welcoming place to sit, while Boujee's refined aesthetic brings a distinctive sense of style to any workspace.

- Five-star mobile base – smooth movement around the workspace

Dimensions

Beautifully textured and Made for comfort

Boujee's sculpted form is enhanced by Sahara, a richly textured upholstery that brings softness, depth and a premium tactile finish to the chair.

The subtle texture complements Boujee's flowing curves and generous cushioning, creating a warm, inviting aesthetic. Designed for more than just looks, Sahara combines its distinctive appearance with the durability required for everyday workspace use.
