X.99

Introducing X.99, designed to elevate your comfort and productivity. Featuring high-density molded foam, our chair provides unparalleled support and cushioning for long hours of sitting. The elastic mesh back promotes airflow, keeping you cool and comfortable throughout the day. Adjustable arms and lumbar support allow you to customise the chair to your exact preferences, ensuring ergonomic correctness and alleviating strain on your body. You can effortlessly find the perfect recline angle for maximum relaxation or focus with a tilt and tension mechanism equipped with a lock.

Experience superior comfort and support with the meticulously crafted X.99, tailored to meet your needs and enhance your work experience

5-year guarantee.
