What will happen in the stationery shop?

Once inside the shop, you can browse the products yourself.

If you need any assistance or if you have sent in printing in advance, you can go straight to the counter - the staff will be happy to help.

Fidgets & Ear Defenders

We will have some fidget toys and ear defenders for you to use.

You can also bring your own.

Break

If you need a break, you can take out your phone or you can ask your parents or one of the other adults if you can step outside the building for a moment.

**I need a
break**

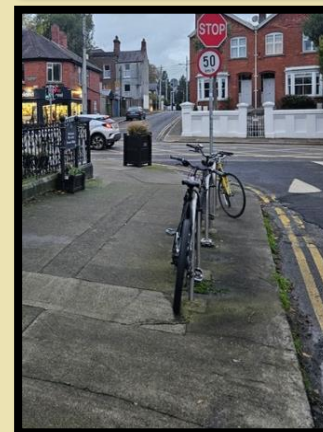

How to get here?

By Foot: We are approx. 5-10 minutes' walk from the Terenure Crossroads. There is a pedestrian crossing across Terenure Road North directly outside our shop.

By Bus: You can take the No. 16 bus.

By Bike or by Car: There is a public bike rack on the footpath outside the shop, or you can lock your bike to the railings in our garden area. There is metered parking on Brighton Square.

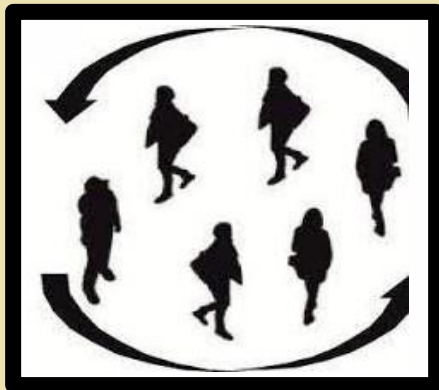

The 'What ifs'

Feeling worried

If something or someone has made you feel worried or anxious or if one of the other adults has made you feel worried or anxious, you can speak to your parents or a trusted adult about it.

Moving around

You can move around the room and stim whenever you feel like it. You do not need to ask to do this.

Last

You can purchase your items at the counter and then we will say Goodbye.
