

Trimfold Envelopes Ltd

Covid-19 Update 4th January 2021

We're Still Here To Help Your Business Keep Going

As a provider of essential services to government and national bodies, Trimfold Envelopes will continue to remain open for business, as we have throughout the entire Covid-19 pandemic. We have all necessary protocols in place to safeguard the health and safety of our employees and also the safety of our customers and our suppliers. We know many of our customers and trade partners will find the next few weeks challenging, and be assured of our best service as we get through this difficult time together.
