

Trimfold Envelopes Ltd

Covid-19 Update 20-10-20

We're Still Here To Help Your Business Keep Going

As a provider of essential services to government and national bodies, Trimfold Envelopes will continue to remain open for business, as we have throughout the Covid-19 pandemic. We have all necessary protocols in place to safeguard the health and safety of our employees and also the safety of our customers and suppliers. We know many of our customers and trade partners will find the next few weeks challenging, and be assured of our best service as we get through this difficult time together.
