WE HAVE WHAT YOU WANT

Availability excellence is our mission. Several big Midlands based warehouses and production facilities hold millions of pounds worth of products and components ready for rapid despatch to valued customers throughout the UK and Europe.

READY TO USE

Not everyone wants to build a chair when delivered, no matter how easy. Our Good2Go service means you will receive a chair that has been hand-built at our factory, quality checked and signed off ready for you to use straight away.

TRY BEFORE YOU BUY

Before investing in an excellent quality chair why not test drive it first? Our sample service means you can try a product you are interested in for up to a week to ensure it “fits” you.

BESPOKE UPHOLSTERY

Special fabrics can define different working areas, reflect a corporate colour or just upgrade seating selections to a preferred material. Experienced UK stitchers and upholsterers transform our most popular chairs in materials of your choice. Chairs with the bespoke fabric icon are priced for our most popular fabrics – other fabrics, leathers and vinyls are priced on demand.

Camira Era, Warwick Dolly textures and Cristina Marrone Ultima faux leather fabrics, these are shown in the swatches table.

‘Agile’ Soft Seating items are priced using Camira Era fabrics and Cristina Marrone Ultima faux leather vinyls – as illustrated in the swatch table.

EXPRESS DELIVERY

Our dedicated fleet of vehicles, and strong partnerships with key specialist logistics partners, means we achieve express delivery. Just as importantly our low damage model means items are in A1 shape when you receive them.

LET US TAKE THE STRAIN

From a single desk to a full office fit-out, our highly experienced delivery & installation teams deliver to any floor (subject to access), unpack, assemble and put in place. They even take away the packaging. A turnkey service to take care of everything for you.

GUARANTEED TO HELP

All our products carry a full warranty, backed by our UK based company, covering up to 10 years. Our confidence in the quality we achieve safeguards your investment in these exceptional office interior creations.

Oslo Bench

Desking

Inject some Scandinavian design delight into your workspace with the Oslo Bench. The natural wood legs support a flyover desk top in stunning polar White with a wood highline contract edge.

Oslo creates a stunning working environment that encourages teamwork, efficiency and provides a stylish workspace that anyone would aspire to inhabit.

Select either single starter desk or double back-to-back two pod bench system. By then adding the respective extension units you can extend the bench system to accommodate users as required.

Impulse storage (page 27) is fully compatible with all Oslo bench desking.
