# Eco-friendly Recycling Shredder

## KOBRA FLEXPACK CARDBOARD PACKAGING SHREDDER

Cardboard Capacity  
up to 3 layers

Throat  
427 mm

Dimensions  
70x51x117 cm

2100 W  
Continuous  
Duty motor

**Kobra Flexpack transforms used cardboard boxes into padded filling material and padding mats either as a packing/cushioning material or as a filling material.**

**Flexpack simultaneously cuts and perforates cardboard and creates high-quality packaging material. This will help save cost, time and protects the environment.**

- Kobra Flexpack **can process up to 3 layers of cardboard** (depending on the thickness) into padding mats from corrugated cardboards or into compressed filling material for secure deliveries of difficult to pack and/or heavy items.
- The **cushioning volume of the output is adjustable** through a specifically designed tension system.
- Kobra Flexpack has an **adjustable working width with scale** enabling the user to optimize the measure of the packaging material. Moreover, it has a large and convenient support table ensuring easy operation.
- Kobra Flexpack carries the latest **Touch Screen Technology**, the most technologically advanced on the market today. It utilizes a remarkable touch screen keypad where functions are activated by simply touching the panel. Flexpack also shows an **LED load meter** indicating the work load on the machine.
- The Kobra Flexpack is equipped with an **hour meter** to help keep records of scheduled cleaning- maintenance and usage time intervals. This standard feature also helps with filter replacement schedule on machines equipped with the optional DCS-500 system.
- The unit produces **very low noise level on a 24-hour continuous duty operation** and carries a very high-efficiency motor that can save considerable electrical energy cost.
- It stands out for its **sturdy and robust Kobra power unit** and for its Kobra **high carbon grade steel cutting knives**. It plugs into a standard 230 volt outlet.
- Kobra Flexback is a stand-alone/free standing unit equipped with an **emergency off switch** for user safety.
- It is easy to move and is equipped with **castors and parking brake**.

Model	Article Code	Shred Type mm	Cardboard Capacity	
<b>Kobra FLEXPACK</b>	99.947	5 x 100	Up to 3 layers	

Option	Code	Description
