100% POLICE APPROVED

A CLOSER LOOK

LACERTA GS8000, TUCANA GS8015, RIGEL GS8020 SERIES & TUCANA PRO GS8030

In an era where responsible firearm ownership is paramount, the need for reliable and secure storage solutions cannot be overstated. Phoenix Safe has consistently delivered high-quality safes designed to meet various needs. Today, we focus on four specific series that have garnered attention among firearm enthusiasts: the Lacerta GS8000, Tucana GS8015, Rigel GS8020 series and Tucana Pro GS8030. Each range offers unique features and benefits, catering to different preferences and requirements.

WHY PHOENIX GUN SAFES?

Phoenix Safe's Lacerta GS8000, Tucana GS8015, and Rigel GS8020 series each offer unique advantages tailored to different needs and budgets. The Lacerta GS8000 series strikes a balance between cost and security, providing robust protection at a more accessible price point. The Tucana GS8015 series caters to those who desire the top-tier security, offering cutting-edge technology and premium design. The Tucana Pro GS8030 series builds on this with enhanced construction, certified security standards and flexible capacity options for 5, 8 or 10 guns. Meanwhile, the Rigel GS8020 series is perfect for those who prioritise maximum security and fire protection, making it ideal for serious gun owners and collectors.

Choosing the right gun safe involves assessing your specific needs, budget, and the level of security required. With Phoenix Safe's diverse range, there is a reliable solution for every firearm owner, ensuring peace of mind and responsible gun ownership.

LOCKING GUIDE

KEY LOCKING

Our high-quality key locks deliver simple, time-tested security for safe and controlled gun storage. Each lock comes with multiple keys for easy access. Options include high-security 7- and 8-lever locks, dual 7-lever configurations, and certified VdS Class I double-bitted locks—ensuring dependable protection for your firearms.

ELECTRONIC LOCKING

Our Rigel and Tucana Pro gun safes offer electronic lock options specifically chosen for each range, providing convenient, keyless access for secure firearm storage. Equipped with high-security 12-button VdS Class II keypad locks with dual control and time delay, they ensure reliable protection while allowing quick, controlled entry when needed.
