Can We  
Do for  
You?

OFFICE365

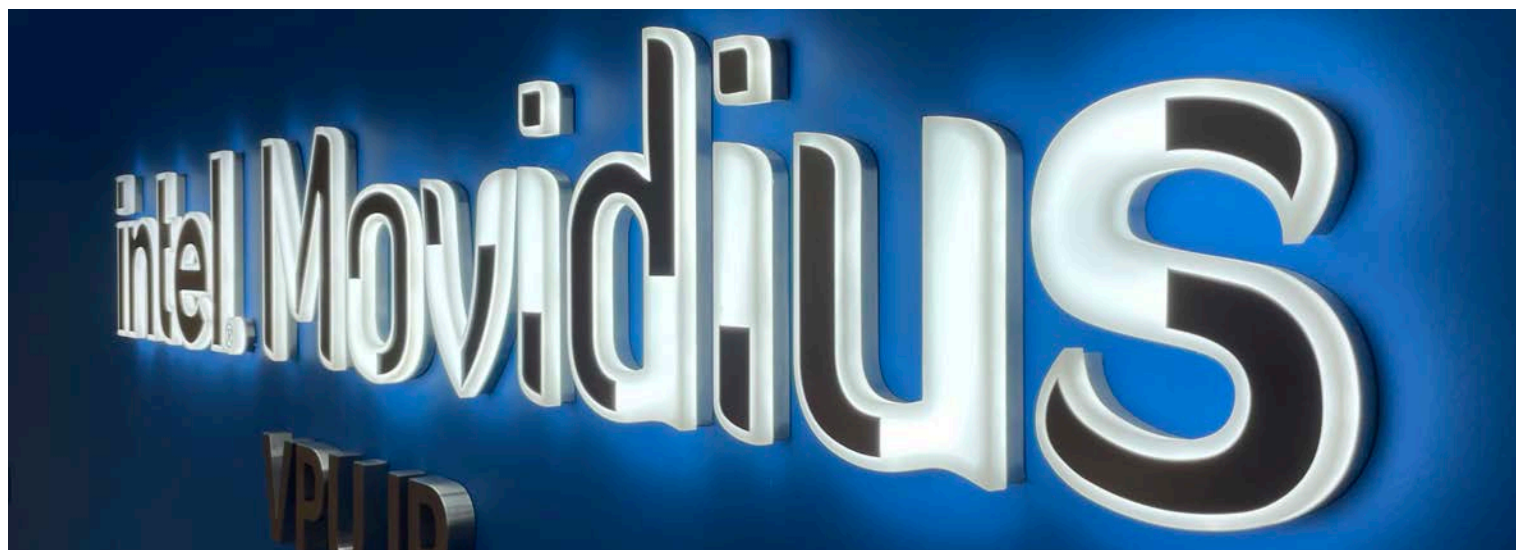

A full-page background image featuring a cable-stayed bridge at night. The bridge's white pylon and cables are illuminated, and its reflection is visible in the water below. In the background, a modern building with a circular glass section is lit up, with its lights reflecting on the water. The sky is a deep blue.

**With over 20 years of experience in serving the office market we have built a network of expertise in the services which help businesses run smoothly.**

# Bill-Paying Services

# Managing Customers Bills, allowing You do what **You do best.**

---

Once upon a time, you had to pay your bills by cheque, vulnerable to the whims of the Postal Service.

Today companies have more options, including one off payments for suppliers that you don't have an account with.

**Bill-paying services** are important tools to help companies to do what you do best. OFFICE365 can pay your bills and provide insight in running your business and allow you take a more active role in your spending strategy.

With that in mind, OFFICE365 have solutions to make old-fashioned bill-paying easier. This will help you master your bills so you can stay on budget and avoid those dreaded late fees.
