

Business Cards

Stand out sustainably with Seeded Business Cards — printed on biodegradable paper embedded with seeds, they let your contacts plant your details and grow wildflowers, creating a memorable, eco-conscious first impression.

Swing Tags

Add a green touch to your packaging with Seeded Swing Tags — made from biodegradable paper embedded with seeds, these customisable tags can be planted after use to grow flowers, herbs, or veggies, making your brand message bloom long after the sale.

- **Made from paper**
- **Safety clip**
- **Available in 15 or 20mm width**
