

Compact Phone Stand

Crafted from natural wood with a stylish bi-colour finish, this Wooden Phone Holder adds a touch of elegance to any desk or workspace. It features a generous surface area for custom branding, making it an ideal promotional gift or corporate giveaway. Easy to assemble without tools, it securely holds your smartphone at the perfect viewing angle for video calls, streaming, or hands-free use. As a thoughtful eco-friendly bonus, each holder includes birch seeds — giving recipients the opportunity to plant and grow a tree, turning your gift into a lasting connection with nature.
