

Flags

Wave your message high with Seeded Paper Flags — made from biodegradable paper embedded with seeds, these customisable flags are perfect for events, parades, or promotions, and can be planted after use to grow wildflowers, leaving a lasting, eco-friendly impression.

- **Made from seeded paper & wood**

Hand Fans

Stay cool and sustainable with Seeded Paper Hand Fans — made from biodegradable, seed-infused paper, these fans not only provide a refreshing breeze but can be planted after use to grow wildflowers, making them perfect for eco-conscious events and outdoor promotions.
