

# Insulated Tumbler

The metal insulated cup has a double-wall vacuum construction with copper insulation which means it keeps drinks hot for 6 hours and cold for 24 hours. The construction prevents condensation on the outside of the tumbler. Wide opening for comfortable filling, pouring and easy sipping.

**Made from stainless steel • Volume 350ml • Screw cap**  
**Double walled • Dishwasher safe**

**Size:** 122 x 93mm
