

Seed Ball Tubes

Bring nature back with the Wildflower Seed Ball Tube — a beautifully packaged set of 20 seed balls, each filled with wildlife-friendly wildflower seeds. Perfect for eco-conscious gifting, these tubes are ideal for birthdays, gardening lovers, or anyone looking to support bees, butterflies, and biodiversity. Easy to plant in pots, window boxes, or garden beds, they're a simple way to rewild any space. A thoughtful, sustainable gift that grows with purpose.
