- Phosphoric acid toilet and washroom cleaner.
- Thickened, clings to vertical surfaces for better cleaning.
- Effective in hard and soft water areas.
- Suitable for porcelain, stainless steel and ceramics.
- Contains a clean, fresh, medicated fragrance.

**DO NOT:** Use on vitreous enamel or fiberglass.

## Hi-Phos™

Heavy-duty toilet cleaner and descaler

- Methane sulphonic acidic toilet and washroom cleaner.
- Phosphate-free formulation.
- Thickened, clings to vertical surfaces for better cleaning.
- Effective in hard and soft water areas.
- Suitable for porcelain, stainless steel and ceramics.
- Contains a fresh, floral fragrance.

## Toilet Cleaner & Descaler

Toilet and washroom cleaner

- Perfumed and powerful providing a quick and efficient clean.
- Clings to vertical surfaces, allowing for longer contact time and better cleaning.
- Phosphoric acid for porcelain and stainless steel.
- Phosphate-free.
- Suitable in all water conditions.
- GreenTick; low environmental impact rating.

# TOILET CLEANING

## EC10 Toilet

Toilet cleaner and descaler

- Powerful, acidic toilet and urinal cleaner and descaler.
- Thickened, clings to vertical surfaces, allowing a longer contact time.
- Phosphate-free formulation.
- Quick and effective, removes heavy limescale, soil and body fat.
- Effective in hard water areas.
- Low dosage, very economical in use.
- GreenTick; low environmental impact rating.

# LAUNDRY

## MANUAL LAUNDRY SYSTEMS

### One3five

Biological and non-biological laundry powder

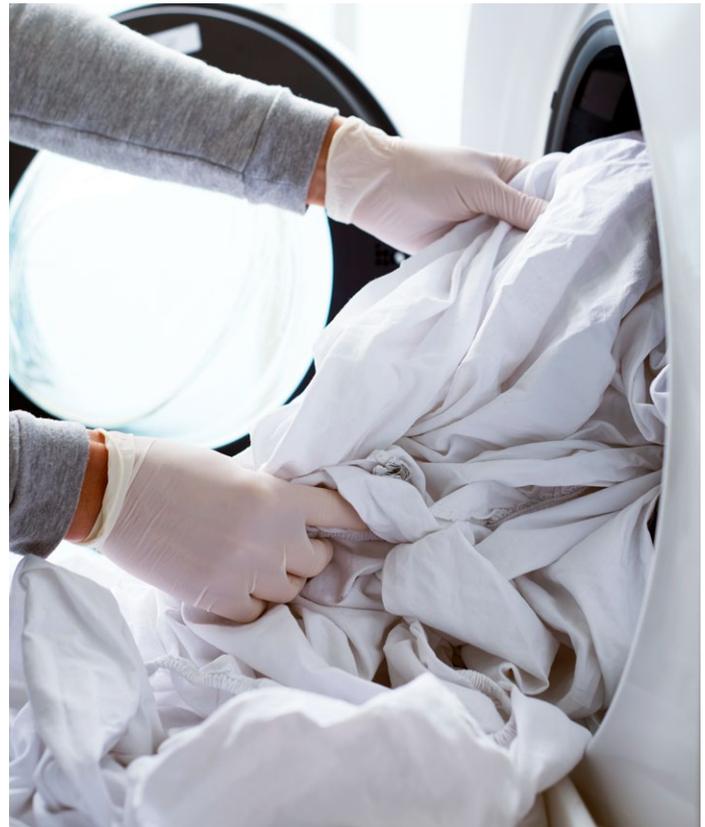

- Bio and non-bio laundry powder for use in all automatic and on-premise laundry machines.
- Outstanding cleaning, removes stubborn stains even at low temperatures.
- Easy-flow powder which dissolves easily in all water conditions.
- Long-lasting fragrance.
- Plastic free packaging - fully recyclable.

### Search® Fabric Conditioner

Fabric softener

- Highly perfumed liquid with dual encapsulation technology.
- Keeps fabrics smelling fresher for longer.
- Reduces static cling in synthetic materials.
- Leaves cotton and polyester cotton less creased and easier to iron.
- Phosphate-free.
- Use in all automatic and on-premise laundry machines.

# LAUNDRY

## ON-PREMISE LAUNDRY SYSTEMS

### Crusader Laundry Liquid

- Concentrated biological, phosphate free, low foaming laundry liquid.
- Outstanding washing ability.
- A blend of detergents and optical brighteners.
- Provides a brilliant cleaning performance.
- Suitable in hard or soft water.
- For use in on-premise laundry installations.
- Clean, fresh fragrance.

### Crusader Fabric Conditioner

- Dual encapsulation technology.
- Leaves cotton and polyester less creased and easier to iron.
- Reduces static in synthetics.
- Phosphate-free.
- Contains an appealing and long lasting perfume.
- For use in on-premise laundry installations.

### Crusader Oxy Destainer

- Powerful peroxide destainer to provide a safe bleaching action that will not damage fabric.
- Removes wine, fruit juice, coffee, tea and other stains.
- Maintains fabric whiteness and colour brightness.
- Thin liquid which is easy to dispense.
- For use in on-premise laundry installations.

### Crusader Coloursafe Oxy Powder

- High performance powder, removes heavy stains from cotton, polyester and synthetic fabrics.
- Suitable on white and coloured fabrics without affecting shade and intensity of colour.
- May be used to pre-soak stained fabrics prior to washing.
- Add to the main wash cycle in addition to normal laundry detergent.
- Suitable in all water conditions.

# HAND, HAIR AND BODY CARE

## Trigon® Plus Bactericidal hand wash

- Bactericidal hand wash.
- Ideal when frequent hand washing is necessary.
- Added moisturiser, to protect the hands.
- Ideal in healthcare, nursing homes and wherever cross-contamination is possible.
- Kills bacteria; passes EN 1276, EN 13727, and EN 1499.

## Trigon® Foam Plus Bactericidal foaming hand wash

- Foaming bactericidal hand wash.
- Ideal when frequent hand washing is necessary.
- Added moisturiser, to protect the hands.
- Ideal in healthcare, nursing homes and wherever cross-contamination is possible.
- Kills bacteria; passes EN 1276, EN 13727, and EN 1499.

## Citrus Foam Hand and body wash

- Citrus, foaming hand and body wash.
- Mild and gentle formulation with added moisturiser to protect the skin.
- Very cost effective; produces more washes than conventional liquid soap.
- 1 L provides over 1,600 doses of soap.

## Skin Care Collection Hand, hair and body washes

- Range of high quality hand, hair and body washes.
- Neutral pH and added moisturisers; kind to skin and helps prevent dryness.

Fragrances available:  
**Black Pepper & Bergamot, Pink Pearl, Eucalyptus & Aloe and Orange & Neroli**

# HAND, HAIR AND BODY CARE

## Handsan™ 70% alcohol-based hand rub

- Effective hand sanitiser with added moisturiser.
- Suitable for use before, in-between and after patients.
- Evaporates from hands, leaves no residue.
- Ideal where cross-contamination is possible.
- BPR approval: UK-2019-1195-0001
- Kills bacteria; passes EN 1500, EN 13727, EN 14476 and EN 1276 with a 30 second contact time.

## Evolve Dispenser

- Choice of bulk fill or cartridge dispenser.
- Suitable for liquid or foaming soaps.
- Ergonomic, easy clean design to minimise dirt traps.
- Product ID labels available.

## Handcare Sundries

We offer a range of literature to go along with our handcare range.

All our wallcharts are available to download direct from our website, hard copies and stickers are also available free of charge.

Our hand care wallboards are also available for use in critical, non-critical and general industry areas. (dispensers sold separately) Please speak to your local distributor for prices.

# PROBLEM SOLVING

## Florazol™ Concentrated deodoriser

- Powerful, concentrated deodoriser, available in a choice of perfume.
- Freshens surroundings and overcomes malodours.
- Effective alternative to aerosols when used in an atomiser or spray.
- Ideal in hospitals and care homes where incontinent patients may have to be considered.

## Trident Sanitising powder

- A blend of detergent and chlorine releasing agents.
- Provides in excess of 10,000 ppm available chlorine.
- Ideal for a variety of applications.
- Can be used neat or dissolved in water.
- Also removes tannin from crockery and mould and mildew from grout.

## Sink & Drain Clear Emulsifies grease and fat

- Powerful, high-active liquid which helps clear grease, fat and blockages in drains and waste outlet pipes.
- Works quickly and efficiently to keep drains free-flowing.
- Helps to avoid expensive call out charges.
- Maintains drains to reduce build-ups and blockages.
- Unperfumed.
- Helps to overcome malodours.
- For use in kitchens, washrooms and shower areas.

## Cyclone Extra thick bleach

- Perfumed bleach with added detergent.
- Thickened; extends the contact time for superior cleaning and disinfecting.
- Suitable for a variety of applications including surfaces, toilets and laundry.
- Ideal for removing mould and mildew from grout.
- Kills bacteria. Passes **EN 1276**.
- Effective against MRSA.

# SUNDRIES
