DEGREASING HEAVY SOILING AND FLOORS

Lift®

Heavy-duty cleaner degreaser

5 L

- Powerful, concentrated, multi-purpose cleaner and heavy-duty degreaser.
- Easily removes fat, grease, oil and ingrained soiling.
- Unperfumed and non-tainting.
- Ideal wherever food is handled, prepared or served.
- For use on all washable hard surfaces, deep fat fryers, ovens and canopies.
- GreenTick; low environmental impact rating.

Lift® RTU

Heavy-duty cleaner degreaser

750 ml

- Ready-to-use, heavy-duty degreaser.
- Removes heavy soiling and grease.
- Unperfumed and non-tainting.
- Convenient pre-diluted formulation.
- Ideal wherever food is handled, prepared or served.
- For use on all washable hard surfaces and equipment.

DISINFECTION SURFACES AND EQUIPMENT

Est-eem®

Unperfumed sanitiser disinfectant

5 L

- Multi-purpose, unperfumed cleaner sanitiser disinfectant.
- Ideal for use in food and catering areas.
- Suitable for use on all food contact surfaces.
- Removes soil and kills bacteria in one operation.
- Passes EN 1276 with a 30 second contact time.
- Also passes EN 16777, EN 14476, EN 16615 and EN 1650.
- GreenTick; low environmental impact rating.

Est-eem® RTU

Unperfumed sanitiser disinfectant

750 ml

- Ready-to-use, unperfumed cleaner sanitiser disinfectant.
- Ideal in food and catering areas.
- Use on all food contact surfaces.
- Ideal wherever food is handled, prepared or served.
- Passes EN 1276 with a 30 second contact time.
- Also passes EN 16777, EN 14476, EN 16615 and EN 1650.

DISINFECTION SURFACES AND EQUIPMENT

Ensure™

Alcohol sanitiser

750 ml

5 L

- QAC free, unperfumed disinfectant cleaner.
- Alcohol-based; quickly evaporates, leaving surfaces and equipment clean and disinfected.
- Kills bacteria and yeast.
- Passes **EN 1276** with a 30 second contact time.
- Ideal for use in the food processing or catering industry.

Trident

Sanitising powder

500gm

5 kg

- A blend of detergent and chlorine releasing agents.
- Ideal for destaining and removing tannin from crockery.
- Provides in excess of 10,000 ppm available chlorine.
- Use for a variety of applications.
- Can be used neat or dissolved in water.

Chlor Tabs

Disinfection tablets

TUB

- Quick dissolving effervescent tablet providing a disinfection solution to kill bacteria, fungi, viruses and spores.
- Each tablet provides 1,000 ppm available chlorine in 1 litre of water.
- Suitable for a wide range of applications in kitchens and food preparation areas.

DISHWASHING

AUTOMATIC MACHINES

Dishwash

For automatic machines

- A choice of low-foam detergents for industrial dishwashing machines.
- Cuts through heavy grease and dried on food. Leaving crockery and utensils completely clean and bright.
- Formulated to prevent limescale formation and re-deposition of soil.

Dishwash - General soiling use in all water conditions.

Dishwash Extra - Effective in hard water.

Dishwash Multi - For soft to medium water.

Other dishwash products are available please see our **General Product Guide**.

Dishwash Chlor

For automatic machines

- Low-foaming, chlorinated detergent.
- Removes general soil, protein and tannin.
- Ensures crockery, glassware and cutlery is thoroughly clean.
- Suitable in soft water areas, or in conjunction with water softening equipment.

Alu Safe Tray Wash

Tray, crate and ware wash

- Highly efficient, low-foaming detergent.
- Ideal on plastic trays and crates, glazed pots, polycarbonate, aluminium and other caustic sensitive surfaces.
- Removes burnt on food debris, grease and carbon deposits.
- Use through a dishwashing machine or by manual washing.

DISHWASHING

AUTOMATIC MACHINES

Rinse Aid

For automatic machines

- Formulated rinse aids using a blend of low-foaming surfactants to promote rapid drying.
- Eliminates water spotting, sparkling, streak-free results.
- Helps prevent the formation of scale.
- Effective in all water conditions.

Rinse aid - Use in all water conditions.

Rinse Aid Extra - Effective in hard water, ideal for use in conjunction with **Combi Oven Cleaner**.

Rinse Aid Multi - All water conditions.

For full product descriptions, please see our **General Product Guide**.

Descalc

Auto machines and equipment

- Highly effective, concentrated acid-based formulation.
- Quickly removes limescale and heavy soiling.
- Safe to use on stainless steel.
- Also suitable for removing scale from a variety of kitchen equipment.
- Effective in all water conditions.

Glaze All in One

100 dishwasher capsules

- Individual, water-soluble capsule with a dissolvable wrapper.
- Phosphate-free formulation.
- Contains an active stain remover and enzymes to cut through grease.
- Built-in salt action leaves dishes spotless and machine clean.
- Helps to overcome the build-up of limescale in machines.
- Efficient cleaning even on a short wash.

Kettle Descaler

Descaling tea/coffee equipment

- Concentrated, acid-based formulation.
- Removes heavy limescale build-up and general soiling.
- Suitable for descaling kettles, tea/coffee urns, coffee machines, bain maries and boilers.
- Safe to use on stainless steel.
- Low-dosage, very economical in use.

DISHWASHING

MANUAL WASHING

Q'det™

Unperfumed liquid detergent

- Unperfumed, washing up liquid for the manual cleaning of crockery, glassware and kitchen utensils.
- Produces a rich foam, even under heavily soiled conditions.
- Excellent grease removal properties.
- Concentrated formulation for greater economy.
- GreenTick; low environmental impact rating.

Q'sol™

Superior washing up liquid

- Superior and long-lasting washing up liquid with a rich foam.
- Quickly and easily removes grease and dried on food from crockery and utensils.
- Effective in all water conditions.
- Clean, fresh fragrance.
- High dilution rate for better economy.
- Also suitable for the general cleaning of floors and walls.

- Produces an excellent long-lasting foam.
- For manual cleaning of crockery, glassware and kitchen utensils
- Very good grease removal and drainage properties.
- Light lemon fragrance.
- Effective in all water conditions.
- Also suitable for the general cleaning of floors and walls.

Destain

Coffee stain and tannin remover

- Highly effective powder containing a chlorine releasing agent.
- Quickly removes stains.
- Dissolves easily in hot water.
- Use on crockery, tea urns, coffee making machines and vending machines.
- Unperfumed.
- Effective in soft, medium or hard water areas.

OVEN CLEANING

Oven Cleaner

Thickened heavy-duty cleaner

- Powerful and effective, thickened, foaming, heavy-duty oven cleaner.
- For cleaning the interior of enamelled ovens and surfaces, griddles and cast iron hobs.
- Removes stubborn baked-on grease and carbon - Ideal for deep cleaning ovens.
- Foam clings to vertical surfaces, longer contact time for better cleaning.
- Low odour .
- Extending trigger supplied in each box.

Combi Oven Cleaner

Concentrated detergent

- High-active, low-foaming detergent, developed for effectively cleaning the interior of combination ovens.
- Easily removes baked-on grease and food deposits.
- Designed for automatic dosing during a selected cleaning programme.
- Effective in all water conditions.
- Use in conjunction with **Rinse Aid Extra**.
- Also suitable for manual cleaning.

Grill Cleaner

High temperature grill cleaner

- Powerful, fragrance-free cleaner for griddles and hot plates.
- Designed to be used at high temperatures.
- Quickly removed baked-on carbon and grease without the need to cool.
- Strips grease build-up in just 60 seconds.
- No need to cool or rinse grill; helping to eliminate downtime.
- GreenTick; low environmental impact rating.

DRAIN MAINTENANCE

Drain Clear

Bio drain and grease trap

5 L

10 L

- Biological liquid, digests fat and grease.
- Controls odours, helps prevent blockages.
- Contains naturally occurring micro-organisms to help keep drains clear and free-flowing.
- Safe to handle, eliminates the need to handle hazardous chemicals.
- Allows grease traps to work more efficiently, reducing the frequency of emptying by up to 70%.

Sink & Drain Clear

Emulsifies grease and fat

5 L

- Powerful, high-active liquid.
- Clears grease, fat and food deposits in drains, gulleys and waste outlet pipes.
- Works quickly and efficiently.
- Helps to avoid expensive call out charges.
- Maintains drains to reduce build-up and blockages and keep them free-flowing.
- Unperfumed, suitable where food is handled.
- Helps to overcome and control odours.

HAND CARE

Trigon® Range

Hand washing

500 ml

1 L

- Mild and gentle to the skin.
- Passes **EN 1276**, **EN 13727** and **EN 1499**.
- Helps to prevent the risk of cross contamination.
- Added moisturiser, suitable for frequent hand washing.
- **Trigon Plus** - Liquid hand wash
- **Trigon Foam Plus** - Foaming hand wash
