Give your bathroom **innovative functionality** with **contemporary finishes!**

Discover the NEW COLOUR TOUCH COLLECTION by Wirquin, specially designed to transform your bathroom into a space of relaxation combining contemporary style, functionality and well-being.

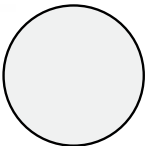

Elegant and sophisticated, our products are now available in a range of refined and timeless shades that enhance each space. Brushed brass finishes for a touch of elegance, minimalist white for a refined atmosphere, bold black for a bold style, or gunmetal for a sleek, timeless look, each visible detail has been designed to combine aesthetics and character.

Behind these designer finishes, our products integrate technological innovations, hidden in their invisible parts. These intelligent solutions optimise space, maximise comfort and improve daily hygiene.

By combining designer finishes with functional innovations, Wirquin offers you the possibility of transforming the bathroom into a space combining elegance and performance.

DEEP BLACK

For a contemporary and sophisticated style, black adds a touch of mystery and elegance. It creates a striking contrast while bringing a feeling of luxury.

PURE WHITE

Minimalist and timeless, white embodies simplicity and clarity. It harmonizes perfectly with black and gold, creating a visual balance between modernity and elegance.

SUBTLE BRUSHED BRASS

A warm matt gold-tone finish with a soft textured surface, adding a sophisticated, contemporary touch to any bathroom.

STYLISH GUNMETAL

Elevate your bathroom style with the sleek, sophisticated and versatile appeal of gunmetal, offering a modern yet timeless look.

PATENTED
MADE IN FRANCE

SLIM⁺

The **extraflat** shower waste!

SHOWER WASTE

The WIRQUIN SLIM+ is an extra flat shower waste especially designed for extra flat shower trays in Ø90. Equipped with a high-performance silicone membrane, which replaces a traditional water seal depth. SLIM+ is quick and easy to install in all configurations, extra reliable without any risk of leaks and easy to clean: guaranteed to meet all installers and end-users expectations.

Choose your FINISH!

COLOURS AVAILABLE

SMART INNOVATION

SMART MEMBRANE TECHNOLOGY

The cartridge is equipped with a silicone membrane which opens when water passes and closes automatically afterwards, ensuring optimal drainage. Its external bi-injected washer guarantees a perfect seal. No more bad smells, no more pipe noises, no more back-siphoning. The hair filter is removable from above for easy and quick cleaning.

HIGH-END AESTHETIC DOME

High quality - Anti-corrosion treatments - PVD coating for Brushed Brass & Gunmetal versions. Various high-end finishes for perfect integration into your shower.

PATENTED

NANO 6.7

Ultra compact waste & trap

BASIN WASTE & TRAP 2 IN 1

- NANO 6.7 is a revolutionary basin waste and trap in one, equipped with Smart Membrane Technology.
- ULTRA COMPACT - 3 times more compact than a standard trap for maximum space under your basin.
- QUICK & SAFE - Easy clip of the body. Leak-free installation: with 1/4 turn nut with overmoulded washer.
- EASY TO CLEAN - From the top
- QUICK FLOW RATE - 30L/min.

Choose your FINISH!

SMART INNOVATION

SMART MEMBRANE TECHNOLOGY

The new generation Wirquin Cartridge replaces the traditional water seal. Patented, it is equipped with a new silicone membrane.

NO SMELLS: the cartridge is equipped with a silicone membrane which opens when water passes and closes automatically afterwards. Its external bi-injected washer guarantees a perfect seal. No more bad smells, no more pipe noises, no more back-siphoning.

EASY TO CLEAN: the membrane cartridge and plug are removable for quick and easy cleaning with soap and water and direct access to the pipework. It will also block insects.
