# BSG IN-HOUSE PRODUCTION

We now have embroidery and heat transfer machines in-house, which brings significant added value to our customers:

## **FASTER TURNAROUND TIME**

By having production facilities in-house, we can reduce lead times and deliver products faster.

## **COST SAVINGS**

Our recent investment in new machinery enables us to produce quality products at extremely competitive prices.

## **DESIGN**

If you're looking for a fresh new design or logo, speak to our Creative Studio. Having both solutions under one umbrella is fantastic for our customers.

## **FLEXIBILITY**

In-house production provides greater flexibility to fulfil our customer's requirements.

## **SUSTAINABILITY**

We employ sustainable practices throughout the production process; from energy-efficient technologies and waste reduction to ethical manufacturing.

## **QUALITY CONTROL**

In-house production allows us to have direct control over the entire production process, ensuring consistent quality standards.

# WHY BRAND YOUR WORKWEAR?

Branding your company workwear offers several benefits that can positively impact your business:

**PROFESSIONALISM AND BRAND IDENTITY** Branded workwear helps create a professional and cohesive image for your company. When your employees wear branded workwear it reinforces your brand identity and makes a strong impression on clients, customers and the general public.

**BRAND CREDIBILITY AND TRUST** Branded workwear can enhance your company's credibility and trustworthiness. It conveys a sense of professionalism, reliability and consistency, which can instil confidence in your customers.

**EMPLOYEE TEAM SPIRIT** When your employees wear matching branded workwear it fosters a sense of unity and belonging within the team. It promotes a cohesive work environment and helps create a strong team spirit among employees.

**EMPLOYEE SAFETY AND IDENTIFICATION** In industries where safety is a concern branded workwear can include high-visibility elements or specific safety features.

**FREE MARKETING** By providing your employees with branded workwear you essentially turn them into walking billboards! Whenever they interact with customers, attend industry events or simply go about their daily routines, they are promoting your brand without any additional cost.

**CONSISTENCY IN BRANDING** Branded workwear ensures consistency in your brand's visual identity. It aligns with your overall marketing and branding efforts, reinforcing your brand's colours, logos and messaging across various touchpoints.

**DISCLAIMER:** Electrical Hazard footwear is tested in accordance with the test method as set out within ASTM F2412-18. This protection deteriorates rapidly in humid, damp and wet environments and with wear. Electrical Hazard Safety footwear is intended as secondary source protection equipment and not for live working.
