DOP n: DCD-VL84-GS

CHANNEL MIDI WITH GALVANIZED STEEL GRATING

1. Unique identification code of the product-type:

   DCD-VL84-GS

   CHANNEL 121 x 85 x 1.000

2. Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):

   AS ATTESTED BY THE PRODUCTION BATCH ON THE LABEL ATTACHED ON THE PACKAGING OF THE PALLET

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   DRAIN CHANNEL TYPE M WITH CONCRETE SUPPORT FOR THE COLLECTION OF THE SUPERFICIAL WATERS IN PEDESTRIAN AREA.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer:

   37010 Aff (VERONA) - ITALY

5. System or systems of assessment and verification of constancy of performance of the construction product:

   SYSTEM 3

6. The notified body BUILDING RESEARCH INSTITUTE - NISI, identification number NB 2032 of the European commission, carried out a test report PTD-19.34 on 01.08.2019, according to EU 305/2011, following system 3.

7. Declared performance:

Essential characteristics*	Unit	Performance	Requirement according to EN 1433:2002 EN 1433:2002/ A1:2005
CLASS OF LOAD		A15	
Water tightness		Pass the test	No escape of water shall be noticed
Residual deformation	mm	0,1	< 0,35
Full load test of channel with grating		Pass the test	No crack shall be noticed on the test sample

8. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 7. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
