

NW

The modern ergonomic design of the NV chair makes it a great option for any office or home environment. The ergonomic backrest design ensures maximum flexibility and comfort while working at a desk.

It's Not Conventionalist

The perfect chair to suit either a home office or working office environment.

Frame Choices

The NV chair is designed with comfort, style and quality. Available in Black, Grey and White finish with and without a headrest option.

Available with chrome base and gaslift.

Seat Choices

Our stocked range now includes 6 trendy seat colours to choose from including:

Black, Grey, Red, Green, Dark Blue and Light Blue.

Ergonomic Chair Design

The unique curved backrest is designed to perfectly align, support and protect your spine, back and neck while working.

The high-quality 3D mesh covers the backrest, enhancing the air circulation and allowing you to sit at your desk in comfort.

The NV chair also offers a range of motion. The chair can swivel 360 degrees and can be tilted back from the upright position. Both the seat and armrest can also be adjusted in height to find your perfect working position.

Product warranty period is ten years.

Making all other chairs **envious**
