E Remote controlled powered stairclimbing sack truck

NEW

- Smart, network-connected, and automatically selects the correct transport angle. • Independent non-marking rubber tracks, allow 360° rotation - ideal in tight spaces.
- Remote joystick controller, with pigtail cable.
- Capacity 300/400kg. • Load calibration.
- Platform W x D: 520 x 631mm.
- Handles extend for easier manoeuvrability.
- Handle height: 1116 - 1636mm.
- Overall W x D: 556 x 956mm.
- Battery: AGM 24V 20Ah, 17kg.
- IP54 rated. • Wt. (ex. battery) 95kg.
- Wide range of accessories available on request.

Code	Capacity kg	Steps / min.	Battery autonomy	Price £ each
438041DZ1	300	8.6	750 steps	POA
438042DZ1	400	6	500 steps	POA

F Remote controlled powered stairclimbing sack truck with stabilisers

NEW

- Fitted with rear load stabilisation wheels and front/rear sensors. • Automatic landing detection.
- Smart, network-connected, and automatically selects the correct transport angle. • Independent non-marking rubber tracks, allow 360° rotation - ideal in tight spaces.
- Remote joystick controller, with pigtail cable.
- Capacity 300/400kg. • Load calibration.
- Platform W x D: 520 x 631mm.
- Handles extend for easier manoeuvrability.
- Handle height: 1116 - 1636mm.
- Overall W x D: 556 x 956mm.
- Battery: AGM 24V 20Ah, 17kg. • IP54 rated.
- Wt. (ex. battery) 107kg.

Code	Capacity kg	Steps / min.	Battery autonomy	Price £ each
438043DZ1	300	8.6	750 steps	POA
438044DZ1	400	6	500 steps	POA

G Remote controlled powered stairclimbing sack truck with lifting forks

NEW

- Load lifting up to 760mm.
- Smart, network-connected, and automatically selects the correct transport angle. • Independent non-marking rubber tracks, allow 360° rotation - ideal in tight spaces.
- Remote joystick controller, with pigtail cable.
- Capacity 300/400kg. • Load calibration.
- Lifting forks W x D: 515 x 568mm.
- Space between forks: 355mm.
- Platform W x D: 520 x 631mm.
- Handles extend for easier manoeuvrability.
- Handle height: 1116 - 1636mm.
- Overall W x D: 556 x 956mm.
- Battery: AGM 24V 20Ah, 17kg.
- IP54 rated. • Wt. (ex. battery) 137kg.

Code	Capacity kg	Steps / min.	Battery autonomy	Price £ each
438045DZ1	300	8.6	750 steps	POA
438046DZ1	400	6	500 steps	POA

H Remote controlled powered stairclimbing sack truck for tall loads

NEW

- Capacity 300/400kg.
- Ideal for tall loads, e.g. windows, doors, servers, gas cylinders, electrical panels, masonry, furniture etc.
- Independent non-marking rubber tracks, allow 360° rotation - ideal in tight spaces.
- Front pivot wheels for extra manoeuvrability.
- Remote joystick controller, with pigtail cable. • Toe plate W x D: 520 x 631mm.
- Overall H x W x D: 1307 x 533 x 770mm. • Battery: AGM 24V 20Ah, 17kg. • IP54 rated.
- Wt. (ex. battery) 95kg.
- Wide range of accessories available on request.

Code	Capacity kg	Steps / min.	Battery autonomy	Price £ each
438047DZ1	300	8.6	750 steps	POA
