

AccisPro is the latest collection of task chairs referring to the trend of "active seating". It is an example of how technological thought can improve a simple activity - sitting. The seat and backrest adapt to the user's body movements. The purpose is not to burden the spine. Designed by: ITO Design studio.

5-year guarantee on parts, based on 8 hours of usage per day.

2-year guarantee on fabric, based on 8 hours of usage per day.

ITO DESIGN Accis Pro designer

Since 1987 ITO Design has been innovating in the areas of design, technology and product development for customers worldwide. ITO has been active in diverse industries throughout its 25 year history. Since the late 1990s, modern office environments have become one of the company's particular focal points. This continues to be one of the team's key areas, with a distinct emphasis on innovative seating products.
