DECLARATION BY APPLICANT SEEKING CREDIT

I am duly authorised by the applicant business to enter into this agreement on its behalf. We agree that payment of your invoices will be made strictly in accordance with the credit terms stated thereon. We recognise that if payment of your invoices is not made by the due date for payment, it may result in the matter being referred to the Credit Protection Association for recovery of the invoice debt; if so, we agree to indemnify you against the costs you incur in referring the matter to CPA to pursue the debt including CPA's current applicable fees for writing to us, any commission payable by you to CPA, all reasonable incidental costs of recovering the debt and interest as applicable.

We/I understand that as part of your assessment of us for the granting of credit, you will send details of our application to The Credit Protection Association plc, who will search databases to which it has access. It may also search a credit reference agency for information relating to us (and in the case of a non-limited, also relating to the proprietors). The credit reference agency will record the fact of that search in the name of Credit Protection Association plc.

We/I authorise our bankers to provide an opinion as to our suitability for the requested account.
